President's Report (Jessica):

- Accident at Ed Levin on Monday, May 30. Wings of Rogallo is leading an accident review. We ask that everyone please refrain from discussing or sharing any details about the incident (especially on social media) until the review is finished and when/if announcements are made public by the Wings of Rogallo and the family. And even at that point to do so judiciously. It's a tremendous loss for the families, the community, and the sport and we all need to be considerate and respectful at this time.
