2. The term of Fellow Feathers Clubhouse Membership is the calendar year January 1 through December 31. Failure to pay dues by April 1st may result in the members loss of clubhouse access and the impound of their glider/s and any other equipment stored in the Clubhouse. Members who store equipment in the Clubhouse and become in arrears of their membership dues may be denied flying privileges at Fort Funston until their dues are paid up in full.
3. 4. Members may not store more than one glider in the clubhouse without prior authorization. Second spaces may be allocated or repossessed at the discretion of the Clubhouse Manager or Executive Committee. Members holding two spaces must surrender one of their spaces if a space is needed for a new member who doesn't yet have a space. A random drawing shall be held to determine the order in which the existing two-space members shall surrender a space. Members must vacate their space/s within 30 days of receiving notice to vacate.
5. The privilege to store equipment in the Clubhouse is not transferable and spaces cannot be sub-let.
6. Clubhouse keys may not be duplicated or loaned to anyone who is not a Clubhouse Member.
7. No flammable liquids, explosives, or illegal substances may be brought into or stored in the Clubhouse.
8. The Club has the right to open and inspect all property in the Clubhouse.

10. All equipment must have either the Member's name or a brass tag indicating their space number. Equipment not having proper identification may be considered abandoned and sold at auction with the proceeds going to the Club treasury.
11. The Clubhouse is not fireproof or weatherproof, and while the structure itself may be insured, there is no insurance for its contents or for any injuries sustained through use of the building. Members store equipment and use the building at their own risk.
