**To do this month:**

- Renew GGNRA Special Use Permit when due. Note: In 2009, based on our good relations and safety record, Rodrigues negotiated a 5 year term. But at the end of that term, due to issues including public complaints, pilot safety violations, illegal drug use (pot smoking), abuse of the dugout, and police action involving club members, the GGNRA reduced our term to 12 months. We should try and negotiate a longer term SUP as we rebuild our credibility and trust with the GGNRA.
