GGNRA & USHPA Liaison (Steve):

- No GGNRA meeting this month because neither James nor I have anything to discuss.
- Started our USHPA Chapter renewal for the 2026-2027 season. Will continue once our new Officers are confirmed for 2026 (after this meeting).

Clubhouse Manager's Report (Rob):

- No updates.

Tandem Administrator Report (Richard):

- No updates.

Safety Director's Report (Richard):

- No updates.

Tech Officer's Report (George):

- Jess found a disk full problem with flyfunston.org which is hosted on our ssdnodes server. The problem prevented admin logins and other issues. The full disk was caused by a large apache log file that grew over time. The fix involved truncating the apache log file and setting a logrotate option to keep 7 days of apache log file
- Purchased a Davis Instruments Vue for ~\$360 to replace the Tempest weather station on the windsock pole. The Tempest works fine, except it can give incorrect wind speed and direction when high humidity and dense fog. We will sell our older Tempest and VP2 weather stations to offset the cost of the new Vue.
- Removed hacked posts from flyfunston.org. The posts appeared on the home page and the News and Events page. Updated theme (Lead Engine) and page builder (WPBakery).
- Did backup of flyfunston.org with UpdraftPlus. Backup is stored on google drive in UpdraftPlus folder.

Training Bowl (Takeo):

- Absent. No updates.

Old Business:

- No old business.

New Business:

- Holiday gathering proposed
- New 2026 t-shirts - Rob has some design ideas

Meeting adjourned 8:12 pm.
